Nov. 5th Energy Workshop Features Money-Saving Tips and Free Roman Candle Pizza

With the leaves falling, we all know winter is almost upon us. Do you have your home ready to keep the cold out and the warm in? If you'd like to knock some dollars off your bill, consider joining us at the **Fitchburg Public Library on November 5th from 6:30-7:30 p.m.** to learn some simple home energy savings tips from Madison Gas & Electric.

MGE will cover these key points and answer any questions:

- Simple do-it-yourself strategies to improve comfort, save energy and \$\$
- How to insulate properly
- Energy myths
- Rewards and rebates currently available through Focus On Energy

We want you to save money this winter, so bring any questions you may have about your home or apartment! In addition to free pizza from The Roman Candle Pizza, you can enter a drawing to win a LED light bulbs or a smart power strip from MG&E. This event is being sponsored by the Fitchburg Resource Conservation Commission through Fitchburg's Green Thursday series.

Fitchburg Library Hosts Discussion Group on UW MOOC: Public Health and Climate Change

Are you interested in the relationship between public health and climate change policy? The library will again be hosting discussion sessions linked to a **UW-Madison MOOC** (massive open online courses, free college classes open to all). The three sessions will take place on 11/12, 11/19, and 12/3. Register for the MOOC at <https://www.coursera.org/course/ccandph>. Contact Rebecca at 729-1784 for more info.

"Love Your Lakes & Rivers, Don't Leaf Them" Campaign Signs Available at City Hall

Stop by the City Hall Lobby, 5520 Lacy Road, 24/7 to pick up yard signs and other materials to remind people to keep leaves out of the streets where they end up in our lakes and streams, overloading them with excess nutrients that make them green and smelly. For more information, visit myfairlakes.com.

Community Calendar

- **Tales from Planet Earth 2015 Film Festival Nov. 6-8.** Features global environmental films. Check the [schedule](#) for films, times and venues.
- **Madison Gas & Electric Community Conversations.** MGE is seeking feedback to help shape their future energy plans for the next decade. For more information and to sign up, go to mge.com/conversations.
