April 22, 2024
10:00 AM

In attendance: Noah Sunderman, Susan Easterday, Jay Hochmuth, Kathleen Lake, Captain Edward Hartwick, Transportation Engineer Ross Kahler, Alder Bill Jetzer

Absent: Ivan Rayment, David Rizzo

Meeting Summary

A presentation with discussion was given by Transportation Engineer Ross Kahler. Topics covered included different styles of traffic calming at different locations on Osmundsen Rd: speed humps, traffic circles, floating pedestrian refuge islands, and different configurations of pavement marking and street narrowing.

The committee also discussed R-185-16, which disallows the installation of sidewalk or multi-use path on Osmundsen Road and other neighborhoods in Fitchburg without 75% approval of affected property owners and the installation being requested by the neighborhood.

Committee members were asked to use the information available on the Fitchburg website and other research to bring additional proposals for traffic calming to the next meeting, which will be held on May 6, 2024 at 10 AM in Conference Room 303 at City Hall, 5520 Lacy Road, Fitchburg, WI 53711.
