

Tennis Court rentals for 2025 are over!

All courts are first come first served for the remainder of the season.

Once snow sticks, the courts will be locked to prevent surface damage caused by shoveling. Courts will reopen once the snow melts in spring.

2026 court reservations will open on the first business day of April 2026. Courts will be reservable from the first Monday in May through the last Sunday in October. Return to the Tennis webpage (fitchburgwi.gov/2952/Tennis) for complete info on renting courts.
