Regarding the Monthly Treasurer Reports and Interim Financial Statements

Several accounting closing procedures are not completed until the end of the year and thus are not included in the interim reports. These monthly, interim reports are not updated for information known or recorded subsequent to the creation of the interim reports.

66.67% of the Fiscal Year has Expended

VARIANCE NOTES

- 1 Under governmental accounting guidelines, property taxes are recorded as of January 1 of the year, although collection of taxes is not completed until the end of August.
- 2 Payment in lieu of taxes from the utility is paid quarterly.
- 3 Transportation aids are received quarterly; shared revenues rec'd 15% in July, 85% in November; 2% fire insurance dues and exempt computer aid paid in July; PMS aid posted at end of year.
- 5 Administrative charges to the utility are billed quarterly. Library is billed annually at the end of the first quarter.
- 6 The bulk of the other sources budget is a 'budget-only' revenue source for fund balance applied.
- 8 The non-cash bad debt allowance adjustment is calculated and posted at the end of each year. The portion paid to the County and State is generally posted to the following month (except at the end of the year). Often see higher collections from February - April due to the use of DOR's tax refund intercept program (TRIP) for collection of unpaid balances.
- 9 Audit services are typically incurred 75-80% in the first six months and 20-25% in the last quarter while preparing for next
- 10 Amounts are budgeted for unknown, miscellaneous building repairs that may be needed during the year. Actual repairs and timing varies based on what is needed.
- 11 Annual employee retirement payouts made in January.
- 12 HNI grants generally reimbursed to grantees near the end of the year.
- 13 Fitchrona EMS is paid 50% of the City's allocation in January and 50% in June/July.
- 14 Mass Transit moved from the General Fund to a separate special revenue fund (Fund 231) in 2023.
- 15 Road maintenance budget generally spent in late summer or early fall.
- 16 Transfer of fund balance from the General Fund to the Capital Projects Fund for ERP aid gap planning and future planned capital projects completed at end of year.
- 17 Delay from when revenue collected (beginning of program) and when 80/20 instructor and LTE staff expenses are paid (end of program).
- 18 FACTv reclassified from a separate special revenue fund (Fund 207) to a department within the General Fund beginning
- 19 Annual League and DCCVA dues paid in January/February.
- 20 Engineering charges to others higher in spring and summer due to timing of construction projects that result in billable time to developments.
- 21 Building and zoning permits generally higher in Spring and Summer due to increased construction activity. Large commercial or multi-family buildings will cause significant increases with a single permit. Business license renewal (i.e. liquor license renewal) primarily occurs between March and August. Business licensing revenue higher in even years due to two-year licensing renewals.
- 22 Staff vacancies; unpaid time off
- 23 Outside legal counsel needs have been primarily the result of situations that are charged to a different fund (i.e. TID or insurance internal service fund).
- 24 The Stormwater Utility District (SUD) reimbursement of charges to the General Fund is generally calculated at the end of the year. Interest revenue significantly higher than budgeted due to rebound of the market.

Notes:

- (a) - full amount restricted based on donor/grantee requirements
- (c) - most of the revenue for this fund is garbage charges on the property tax bills and settled in January/February
- (d) - see CEDA report for categories of fund balance by assignment
- (e) - most of the revenue for this fund is levied on the property tax bills and settled in January/February
- (f) - debt payments occur throughout the year and the ending fund balance is mostly restricted
- (g) - TID is at a loss, which is common for the first couple years of the TID based on the timing of tax increment. An advance from the General Fund is posted and is expected to be paid back when increment is available.
- (i) - Much of this balance is assigned to future equipment replacement, based on accumulated depreciation charged to departments throughout the years.
- (j) - Most premiums paid at beginning of year but collected from departments monthly.
- (k) - Most of the funding was classified as unearned revenue (liability account) as of 12/31/24. Reclassified to revenue in 2025, but may need to be revised at end of year based on actual grant expenditures.
